Renew a contract with SelectHealth for medical benefits to the City's employees.

SYNOPSIS:

Renew the contract for Fiscal Year 2009/2010.

BACKGROUND:

SelectHealth has been providing medical benefits for West Valley City for the past six years. Since SelectHealth has been providing benefits, the City has also contracted with them to provide retiree benefits and post 65 benefits. We have had amazing success in keeping our premium costs low during the past several years. This year we negotiated a 6% increase. Well below the 10 – 12% standard increase.
